

Dear Families,

ALTONA P-9 COLLEGE

This year Altona P-9 College is participating in the...

Cancer Council's Biggest Morning Tea

The cancer council is the only Australian charity to work across every area of every cancer, from research to prevention and support. They help people from the point of diagnosis through to treatment and beyond.

We are asking families to donate packaged food suitable for sale at our morning tea on the 24st May 2018.

Staff and students will be able to purchase these goods at a cost of 50c per item on the day, and a whole college picnic will coincide with the sales.

Donations of packaged goods can be left at the front office. We would appreciate receiving your donations by the 23rd May.

We have set ourselves a fundraising goal of \$500!

If you wish you can also donate at our personal fundraising page at...

<http://vic.cancercouncilfundraising.org.au/AltonaP-9College>

If you have any questions please speak to your child's home group teacher.
